

The Scholten Strategy for *SUCCESS*

Tim Scholten

If you want to take your career to a much higher level, or take your business to the eschelon of success you've been dreaming of, then you need a focused plan of action to facilitate rapid forward movement. Many businesses speak about obtaining success, but few offer tangible guidelines or a unique success dashboard app for those "in the moment" focus needs, communication and execution of business directives.

Tim Scholten has been an entrepreneur INSIDE of Corporate America working for Fortune 500 companies for over 30 years, building the teams and fixing the unsolvable problems that hold businesses back. Working with minimal budgets, Tim built solutions that paid for the entire innovative systems that raised profitability and productivity. Tim saw the need and created solutions that are now accessible to everyone. Tim Scholten is the **ROI repair master**. Tim is a sought-after speaker, consultant and coach. His best-selling book, *Focus 5 Advantage, Empowering You to Achieve Amazing Results*, is available on Amazon.com

Tim is available to speak to: Corporate, Entrepreneurs, NPOs
